SRP: What is a Burial Transcript?

GC: It's a typed copy of the information we have in our records. It gives date of death, cause of death, date of burial, residence at time of death, and so on.

SRP: Do I send my check to you?

GC: Yes. (Pause) How are things on Wall Street?

SRP: (Somewhat startled by the question, but quickly realizing that he gave his return address as Salomon Brothers) Just fine. Thank you.

GC: That's good.

SRP: Thank you for asking. I look forward to getting your letters. Good bye.

GC: Good bye now.
